RE: Approval

The Town of Pendleton Sewer Department is requesting approval to have 25 gravity sewer infiltration leaks repaired. I have attached 3 estimates from outside contractors along with a list of addresses in need of repairs. I would like R.I.C. to do the repairs as they have done work with us in the past with very good results and they have the lowest price. Thank you.

R.I.C. Plumbing \$20,000.00

S.M. Pynn & Sons, Inc. \$23,750.00

Wolf's Nursery, Inc. \$23,875.00

Bids will be accepted for Gravity Sewer Repairs for the properties listed on the attached sheets.

The properties are to be excavated to repair various sewer infiltration leaks. You will be responsible to provide labor, tools, equipment, material and pictures of job completions.

Please note that all prospective bidders must hold a Town of Pendleton Contractors License and provide proof of insurance.

All repairs are to be completed by **December 16, 2016.**

The following materials are to be used for the repairs:

- Fern-co with stainless steel band
- Sch 40-T
- A-clamps
- SDR 35 riser – single piece
- #1 stone

The Town of Pendleton will be responsible for the restoration of the job sites.

Please return quotes to Jim Argo by fax (716) 625-6323, email: jargo@pendletonny.us, or in person at 6640 Campbell Boulevard, Lockport, NY 14094.

Should you have any questions or concerns, please feel free to contact me at the above-mentioned number.

Sincerely,
