RE: Approval over \$500.00

The Sewer Department is requesting approval for the purchase of a new gas detector. The detector that we have now is outdated. I have provided three written quotes. I also budgeted for this detector in the 2016 budget – line SS.8120.0430 – tools. I would like to request that we purchase the GMI PS200 gas detector – 4 gas meter from Dival Safety for \$2,115.00.

Thank you.
