

OPEN GARDEN

July 14, 11am- 4pm

LOOK FOR BALLONS ON THE MAIL BOXES AT THE HOMES

1. 6670 Bear Ridge Rd. Lockport

Four Season Gardens covering one acre. Arbors, 11 Island beds as well as foundation plantings of shrubs, trees and perennials. A fairy garden along with urns add character to this garden as well as numerous evergreens to give it interest in the winter.

2. 6791 Bear Ridge Rd. Lockport

Our Japanese inspired landscape begins with a flagstone staircase and walkway, leading to a backyard garden surrounding an in-ground pool. The landscape features a dry creek bed, a Zen garden, an Asian-influenced Craftsman-style pergola and lots of perennials, all surrounded by beautiful pollarded catalpas.

3. 6866 Bear Ridge Rd. N. Tonawanda

A series of gardens, including, a fairy garden and small gnome garden. Flower gardens consist of annuals and perennials. A fish pond with a three drop waterfall - fish is Koi, Comets and Gold fish.

4. 6987 Bear Ridge Rd. N. Tonawanda

Flea market gardening at its finest. A mixture of whimsical containers with colorful annuals and a variety of perennials presented amongst our "garden of weedin". The bird nerd of the house never passes a birdhouse without a second glance. Come check out the variety that have passed the test.

5. 4365 Beach Ridge Rd. N. Tonawanda

A combination of annuals and perennials in a mostly shaded setting using plants grown from seed. Many of my annuals are propagated from seeds from last year's plants. A small pond and garden adds to the tranquility of our back yard.
