Pendleton Town Board

The 2021 Tentative Roll has been submitted, corrected, submitted again and accepted by the Niagara County Real Property Services Office (NCRPS). The legal announcements have been published and the Tentative Roll has been posted on the Town website.

A simple computer glitch warranted the correction and was rectified with the help of Ann Hinton, an employee of NCRPS, who helped me step through the missing update procedure that was needed to correct the error. She is a wonderful person and an easy person to talk to and work with. I am lucky to have her in the County RPS Office.

The Board of Assessment Review (BAR) is slated to meet on May 26<sup>th</sup>, 2020 in Town Hall. The people that want “in person” meetings, that want to speak to the BAR face to face will have to be facilitated by scheduled phone conferences. That is for the protection of the BAR members and the other people that would be waiting for their time. Regular non-hearing complainants will be handled at the BAR’s leisure. This change was reviewed and authorized by our Town Attorney, Claude Joerg.

Personally, I have to thank you for keeping this meeting to a bare minimum, where you prefer that I’m not in attendance. I am in desperate need of a haircut and I don’t want to be seen in public while I look like a bald guy, with Doc Brown wild hair, two months into a bad comb over.
