Request for Proposals

Town Hall Parking Lot Sealing

- Overview:** The Town of Pendleton is requesting proposals for work that generally involves the sealing of the paved parking lot at the Town Hall.
- Project Location:** The Town Hall is located at 6570 Campbell Boulevard in the Town of Pendleton. A graphic showing the general delineation of the location of the project is included.
- Project Description:** The proposed work includes the following:
- All necessary site preparation, including tasks such as edging and removal of debris and loose material.
 - Application of blacktop sealer sourced from a supplier in originally prepared condition, with no mixing of other products that alters the production formulation.
- Requested Proposal:** Submitted proposals must include all costs, including materials and labor, to complete the project as detailed. Furthermore, proposals must reflect current Prevailing Wage requirements.
- Contact:** Any questions and other communications are to be directed to Councilman David Leible, who may be reached at (716) 625-8833. Access to the site of the proposed work is available, if desired.
- Deadline:** All proposals are due to the Town Clerk of the Town of Pendleton by 3:00 pm on September 2, 2025.
