### **Resolution Approving Expenditure for Refuse Totes**

**WHEREAS**, the Town of Pendleton currently has a contract with Modern Disposal Services for collection and disposal of refuse and recycling material; and

**WHEREAS**, the current contract between the Town of Modern Disposal Services mandates the usage of specific collection totes for refuse and recycling materials; and

**WHEREAS**, the current inventory of required totes is sufficiently low, necessitating acquisition of additional units to continue the refuse and recycling program for current and future user; and

**WHEREAS**, acquisition of these items may be acquired from a specific vendor through a Massachusetts State Contract that allows New York governments to “piggyback” with the published per unit cost, which varies for each item; and

**WHEREAS**, a quote for the requested order of totes has been provided to the Town Board for consideration.

**NOW, THEREFORE BE IT RESOLVED**, by the Town Board of the Town of Pendleton on this 11<sup>th</sup> day of August 2025 that the quote from Rehrig Pacific Company for \$8,218.75 is accepted and approved. This resolution shall take effect immediately.
