Project: Parking Lot Rehabilitation
6570 Campbell Blvd.
Lockport, NY 14094
Email: jevans@nussclarke.com

Attention: Joe Evans

We are pleased to offer you the following for your consideration:

Install concrete curbs for planter boxes per drawing supplied.
Project: # 25J1-0007

We propose hereby to furnish material and labor - complete in accordance with above specifications, for the sum of:
(for above work only)

Eight thousand four hundred and 00/100*****\$8,400.00

Payments are to be made as follows: 50% on start - Payments made on progress of work completed.

Acceptance of Proposal - The above prices, specifications and conditions are satisfactory and are hereby accepted.
You are authorized to do the work as specified. Payment will be made as outlined above.

Date of Acceptance: _____.

Signature: _____ . Signature: _____.

Note: This proposal may be withdrawn if not accepted within 30 days. Suitable truck access must be provided to the building site. Excavation assumes grade to be level. It does not include pumping of water, excavation of rock or over digging/additional excavation for unstable soils. Backfill to rough grade with excavated material does not include select fill around foundation or inside garage. Damage to concrete and/or blacktop drive, turf and/or landscaped areas leading up to and surrounding the construction site are sometimes unavoidable and we accept no responsibility. We will not be responsible for any leakage in concrete walls that are not waterproofed by a recognized professional. Installation in winter weather will require frost protection to foundation and floor to be supplied by others. Customer shall pay Hy-Tech Concrete any and all costs, expenses and attorney's fees which we may suffer, incur or become liable for by reason of any breach of this proposal.

Thank you for your consideration.

Sincerely,

Edward G. Pawlak
President
